

Info Advanced Students

Enrollment

All exchange students have the option to be enrolled in the CGSP only or in another faculty as well (ideally matching their home faculty and upon availability).

Semester fee

Advanced students note: If you do not pay the semester fee for the summer term in time, you are being exmatriculated from the UoC.

Course choices

As advanced students, you will be able to choose from the same courses as first semester students. The content of the classes changes each semester, while their field remains the same. E.g. you could choose the history class again, even though you had already taken it in the first semester.

Info Session CGSP: We recommend all students to visit this session. It is a great opportunity to meet your fellow students and you will receive specific info on how to register your courses (while you can choose all courses, you need to register them differently on Klips)
